For those who haven't verified their mobile number yet, verification will be required before using SMS login.

Registering with CSCS Online

CSCS is also removing passwords from the registration process for new users – whether an individual or organisation.

Instead, you'll need to provide your mobile number with country code for verification.

One-Time Passcode (OTP) verification – A passcode will be sent to your email during registration, ensuring secure account creation. Enter this code to register.

Mobile Validation – Users will have the option to verify their mobile number for added security and login flexibility.

Logging into CSCS Online

The screenshot shows the CSCS Online website interface. At the top, there's a blue navigation bar with links for 'About CSCS', 'Contact us', 'News', 'Search', and 'HOME'. Below this, the CSCS logo and tagline 'The Official site for the Construction Skills Certification Scheme' are displayed. There are three buttons: 'CARD FINDER', 'SMARTCARDS', and 'APPLYING FOR CARDS'. The main content area is titled 'Login to your account' and contains two forms. The left form is for logging in, with fields for 'Email' and 'Mobile', a 'Send Code' button, and a reCAPTCHA. The right form is for registering a new account, with fields for 'First Name', 'Surname', 'Email Address', 'Confirm Email Address', 'Date of Birth', and 'Mobile number'. It also includes checkboxes for 'Subscribe to the CSCS newsletter' and 'I accept the CSCS terms and conditions, privacy settings', and a 'Register' button. A red box highlights the login form, and an 'or' separator is between the two forms.

- When logging into CSCS Online, users will need to input their mobile number or email address, pass the 'I'm not a robot' test and click 'Send Code'.

- Users will then be sent a one-time code to enter as shown on the next page.

Mobile login is only available to those users who have verified their mobile number. You'll be asked to verify your mobile during login if it hasn't previously been verified.
